- **Member asked why we do not have Literature on hand: It was explained that we as area do not have anywhere to store the extra inventory and in the past when a "literature chair" tried to keep inventory on their car, or carry it back and forth, it was lost and/or damaged more frequent than not. Gave the Freestate website and offered the option to make orders with other homegroups to split the shipping.**

Hi Family,

We've completed setting up the new mailbox, thank you to our Vice Chair for getting that taken care of. We will hold our semi-annual budget and policy review at 12pm April 3rd prior to next month's area meeting. Thanks for letting me serve.

-Jackie

**VICE CHAIR**

Hello family,

I am happy to report our mail forwarding address is successfully set up!

I am sitting in on H&I subcommittee meeting and learning. I met with Vice treasurer before area and did the audit. The treasurer report and the bank statements matched up well for 2020. There were parts in the checkbook register that check numbers and dates were not written down and I suggest in the future to make sure that is included. Everything else looked great.

Thank you for letting me serve.

In loving service,

Tara A

**WEBSERVANT**

Phil and I stalled a bit this past month on development of the new site. I will reach out to him this weekend and attempt to recommit to our development efforts. The March meeting lists printed by Lance this month do not reflect the changes made to the BMLT in the month of February. I was only able to work on the meeting list for about an hour this month and the formatting issues continue to be a problem. This month I will work on making the formatting of the quad-fold meeting list permanent. Thanks for letting me serve and for being patient during the re-development of virginia-beach-na.org.
