VRCC

Hello family,

I will be attending the VRCC Spiritual retreat in Winchester, VA July 17-18, 2021. This is the meeting where new directors get orientation, policy is reviewed and the upcoming AVCNA 39 is assessed. We will be doing a walk thru of the property (Madison Conference Center) and getting a report from the 39th Host Committee. On Sunday we will be having our Bi-monthly VRCC business meeting where one of the most important items on the agenda will be the contract for the 40th here in Virginia Beach, at the Marriott Resort. I am sure there will be much discussion on costs and such, but the whole process is back on track and should favor a positive outcome.

I will be driving up early of Friday to be well rested for the weekend. I will be bring back receipts for gas. The VRCC pays for meals and Sat nite room. I have not heard any thing negative on the contract negotiations, but that is how it works. I am asking now for backing from the area to get this project over the goal line.

In Loving Service

Ted L VRCC Director

WEBSERVANT

Typical meeting updates were made for the month of June. I spent some considerable time updating the SOTS website in the month of June and as such didn't get to update virginiaeachna.org. I will be uploading the minutes during the month of July so that all archived meeting minutes are available through the site. I have also been tracking down an issue with spammers hitting a comments page on the site, and I expect this to be resolved by the next Area meeting. No progress was made on the development site this past month.

Please email all updates for meetings to bana.webservant@gmail.com

Thanks for letting me serve.

ILS,
Frank G

H&I CHAIR

Good afternoon family. All commitments were met during the month of June. We have 2 co chairs open for Friday at safe harbor and Thursday at the psych center. We are still not meeting at pathways but I'll be in contact with the facility and keep trying to get in when we can. In loving service James H

SOTS

Please excuse our absence as things have been a little hectic in our personal lives. The gifts of recovery! We're getting pretty excited as we get closer to the campout. We have the campsites, we are fundraising, and selecting speakers. If anyone has any speakers that they would like to hear, reach out to Abby M or myself and we will reach out to them! We will have registration flyers at the next area meeting but pre Registration is open on the beach area website. If you have issues, see Frank! We made \$156 at the volleyball fundraiser, we paid our storage fee or \$62 and reserved the golf cart for the campout weekend for \$368.00. We currently have \$1,039.59.

We look forward to seeing everyone at future fundraisers and especially the campout!
