BASCNA,  
The Emergent Needs Committee met Saturday, August 7, 2021 with nine addicts in attendance. We've added a second methadone clinic to our list of associates that is stocking local meeting lists for their patients. Adding new clinics will likely be an ongoing effort as the group has time. The PR group is looking into the options for purchasing targeted YouTube ads with our area information. Also, we discussed engaging Sentara Hospitals to see what sort of information they might allow us to share through their facilities.

The GSR Learning Day is set for Saturday, September 11, at 11:00 am at Beach Garden Park. Chicken, biscuits, and drinks will be served. There will be three speakers and a game with prize.

The Emergent Needs Committee meets on the first Saturday of the month at 12:00 pm prior to the Area Service Committee meeting at the Ocean Lakes Church of God. All that are interested in serving are encouraged to attend.

In gratitude,

Sam B.

**VRCC**

Hello Beach family

This report will be presented during normal Area Service although I may have to excuse myself to take some VRCC Executive members and Directors to lunch after their long trip and time facilitating the Election of AVCNA 40, Host Committee Executive members. Hopefully we can accomplish this before official Area service. The Host Committee will be accountable to BANA and VRCC equally thru the 40<sup>th</sup> Convention. The Host Committee will elect and draw members for sub-committees from BANA members. I encourage all interested parties to read the Host Committee Policy in last month's VRCC Director's report. Especially Appendix B at the end. It is the timeline for the next 18 months until after the completion of the 40<sup>th</sup> Convention and the hand off to the 41<sup>st</sup>.

To some members relief I will be reduced to acting as a liaison between the Host Committee and VRCC BOD. Again, I encourage everyone to read the three policy manuals before coming forward with any questions. I will bring all concerns to the VRCC in the forms of motions from anyone here in BANA.

Please treat our visitors from Winchester with all due respect. They will be spending Sat. Nite and I hope they attend Sat. Nite Live. And maybe a meal after, or some time at the Oceanfront.

**WEBSERVANT**

Phil and I were finally able to sync our schedules and work on the development website this past Sunday. We made some decent headway and are maybe 60% complete with the development site. We need about 8 hours more of work on the site before it is ready to be presented to Area. We will attempt to sync up again and finish up this month.

There was an issue with an outdated plugin that was allowing admin accounts to be created on the production website. The plugin has been disabled and the rogue accounts have been deleted. Unfortunately, the minutes page of the website was hacked and rendered unusable and has since been removed.

On Sunday Phil was able to implement document uploading functionality to the development site. As a result, we are going to press forward with completing the development site and leave the production site as is until we roll out the new site. Thanks for understanding.

Please email all updates for meetings to bana.webservant@gmail.com

ILS,

Frank G

**H&I CHAIR**

Good afternoon family. A few commitments were missed during the month of July. But the other commitments were made and all is well. We have 2 co chairs open for Friday at safe harbor. We are still not meeting at pathways but I'll be in contact with the facility and keep trying to get in when we can. In loving service  
James H

**SOTS**

Hello Area Service,

SOTS is approaching quickly! Registration flyers are here and ready to be disbursed at your home groups! Please remember to pre-register as it's cheaper that way!

We will be having another beach day on August 15, 11AM at 62nd street.

We have reserved our DJ and the program is coming together full of activities and great speakers. Locals and out of town guests!

We have decided to raise the registration rate this year due to the price of the parking passes and the cost of goods raising (golf cart, DJ, etc.). The changes are:

Pre-Registration:

DAY PASS- \$15

WEEKEND- \$35

At the campout:

DAY PASS- \$20

WEEKEND- \$40

We are sitting at \$1,165.71 in the bank. Thanks for letting me serve.
