ENC:

Sorry, my Microsoft Word is not working right now, so here is my report:

The ENC met November 6, 2021 with four addicts in attendance. We discussed the upcoming NYE Dance which will be held on Friday, December 31, at 9:30 pm at the Good Shepherd Church on Laskin Rd. We will serve pizza and drinks, and there will be a DJ. Please spread the word to your fellow addicts or any non-addict friends or family that might like to attend.

The ENC needs a chair for the 2022 service year. Please provide contact information of any trusted servants that you may feel be well suited for the position to Sam, (757) 274-4109.

We will meet again on December 4 at 12:00 pm before the ASC meeting.

RCM:

Dear BANA Family,

On Sat Oct. 16th I attended part of the Regional 2 Day event and on the 17th I did attend the business meeting.

Regional open positions are vice chair, treasurer, vice treasurer, speaker jam chair, and AD Hoc committee archives chair. Carol M was voted in as H&I chair.

The Ad Hoc Planning Committee is meeting Nov 10th. Results from the planning session from the 2 day event will be discussed and prioritized. All are welcome to attend. Details including the zoom link have been posted on the Carna website.

The vote on creating an ad hoc committee in April to plan and schedule the November 2 day event was sent back to the areas because there were to many abstentions. I plan to vote for this unless otherwise directed. I will also be voting to approve the new Regional Budget unless otherwise directed.

VRCC:

Hello All

Beach days are few and far inbetween now. However, the Fall foliage should pass the peak.

So, on AREA level I was re-elected to Beach Area Director to the VRCC. I am actively announcing the opportunity to become an Alt. Director to share the duties and rewards.

On a Host Committee level they have just had their second Host Committee meeting on Nov. 14th. For their lack of experience working under VRCC Host Committee Policy, and as yet new to the ways of VRCC Executive and Director Committee. This coming Sunday should open their eyes and hearts. For my part I have collected, organized and presented at the VRCC BOD meeting this Sunday. The majority of the Host Committee has committed to attending and supporting the 39th Host Committee in Harrisonburg Jan. 21-23. This should be a Spiritual spark for all the difficult and rewarding work ahead.
ILS, Ted L. Beach Director

WEBSERVANT:

Greetings and Salutations,

Phil and I are ready to cut over to the development site and trash the existing web site. There are multiple reasons for this. The most important being that our site will continue to get hacked in it's degraded state until we can cut over to a site that is fully upgraded and not bound by old logins etc set up by Jack. Today I deleted over 30 admin accounts added to our site since Saturday.

We have what we believe to be all the most important elements needed to provide information to our members online. Please forward this email to any executive chairpersons I may have missed and lets get a vote to cutover stat. Phil and I are both occupied this upcoming weekend, but can roll over the site midweek following the weekend (November 16-18).

Here is the link, please go through it and contact me if you have any questions or concerns.
